DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with this labeling.
USE RESTRICTIONS: This product may be used to repel deer, rabbit, tree squirrels and other animals that feed on edible crops, flowers, bulbs, shrubs, plants, seedlings and trees. DEER BLOCKER discourages animals from feeding on bulbs dipped in concentrate for 5 minutes and allowed to dry. Do not apply at temperature below 40 degrees or in wet/muddy conditions.
MIXING AND DILUTION DIRECTIONS: Shake container of DEER BLOCKER concentrate thoroughly prior to mixing. Mix concentrate with tap water at a ratio of 1 part concentrate to 7 parts moisture.
Content: 1 Gall bottle makes 8 Gall Do Not Over Dilute.
APPLICATION DIRECTIONS: Shake container of DEER BLOCKER spray thoroughly before use. Spray leaves, stems and branches thoroughly from all angles until run off or leaves look wet. Treat vulnerable plants at the beginning of each season. REPEAT TREATMENT AS NEW GROWTH EMERGES. AFTER HEAVY RAINS, OR IF THE EFFECT OF PREVIOUS TREATMENT APPEARS TO BE DIMINISHING.

One Gallon container of DEER BLOCKER concentrate yields enough spray to treat up to 1600 ornamental shrubs 4 ft. High or an area about 16000 sq. feet of treated plants. Surface conditions and size of plants will affect the size of the area that can be treated. Before large scale treatments, test product on a small area of each type of plant to be treated to make sure that DEER BLOCKER will not damage the plant.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store only in original container, in a cool, dry area. Keep away from children and pets. Protect from heat and freezing. Store between 40 degrees-90 degrees F. Keep container closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

PESTICIDE DISPOSAL: wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL: Do not reuse empty container. All containers including mixing containers should be triple rinsed offered for recycling or reconditioning or punctured and disposed of in a sanitary landfill, or incinerated, or if allowed by state and local authorities, burned. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS (FIRST AID)

CAUTION: Causes moderate eye irritation. Wash hands, arms, face with soap and water after use. Avoid contact with eyes, skin, or clothing. In case of contact, wash thoroughly with soap and water after handling. May be hazardous to humans and domestic animals.
FIRST AID: If in eyes, flush eyes with plenty of water. Call a physician if irritation persists.

ENVIRONMENTAL HAZARDS: Do not apply directly to water or areas where surface water is present or to intertidal areas below the mean high water mark. Keep out of lakes, streams, or ponds. Do not contaminate water by equipment cleaning or waste disposal.

LIMITED WARRANTY: If the repellent is found defective when used in accordance with the proper use, replacement or refund is our sole obligation. DR. T'S NATURE PRODUCTS'S shall not be liable for any direct, consequential or incidental damage. Call DR. T'S NATURE PRODUCTS for a copy of our limited guarantee.
