DEER BLOCKER RTU

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use Restrictions: This product may be used to repel deer, rabbits, tree squirrels and other animals that feed on edible food crops, flowers, grass, bulbs, shrubs, plants, seedlings, and trees. DEER BLOCKER discourages animals from feeding on bulbs dipped in concentrate formulation for 5 minutes and allowed to dry. Do not apply at temperatures below 40° F, or wet, windy conditions.

Application Directions: SHAKE WELL. It is very important to mix the contents of DEER BLOCKER thoroughly before use. Spray leaves, stems and branches thoroughly from all angles, until run-off or leaves look wet.

Treat vulnerable plants at the beginning of each damage season. Repeat treatment after heavy rains, as new growth emerges, and if the effects of the previous treatment appear to waning. One pint of DEER BLOCKER contains enough spray to cover 1000 sq. ft. of plants.

Surface conditions and sizes of plants will affect the coverage area. Before large scale treatments, test product on a small area of each plant type.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store only in original container, in a cool, dry area inaccessible to children and pets. protect from heat and freezing. Store between 40°-90° F. Keep container closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

PESTICIDE DISPOSAL: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. All containers should be triple rinsed, then offered for recycling or reconditioned, or punctured and disposed of in a sanitary landfill, or incinerated, or if allowed by state and local authorities burned. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS(FIRST AID)

Hazards to humans and domestic animals. Caution: Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. In case of contact. Wash thoroughly with soap and water after handling. May be hazardous to humans and domestic animals.

FIRST AID: if in eyes, flush with plenty of water. Call a physician if irritation persists.

Environmental Hazards: Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Keep out of lakes, streams or ponds. Do not contaminate water by equipment cleaning or waste disposal. **GUARANTEED PERFORMANCE.**
